NOTE:

Qualification of a product is not blanket approval for its use.

A Certificate of Analysis reporting actual test results of the material properties shall be required. Final acceptance of each lot or shipment is dependent upon test results which shall conform to the established specification requirements and which identify the sample as being representative of the product originally approved.

Any deviation in composition or performance from the original sample submitted may result in removal of the product from the qualified list.

No information contained in this list is to be used for promotional purposes.
